office concept

1965 'den Bugüne..

ABOUT US

Özel Metal Office Concept was founded in 1965 by Rafet Göncü. The enterprise serves the public and private sectors in Türkiye and abroad with its 50 years of experience in the office furniture business and its solution-oriented team. The company produces projects for the needs of its customers with its 2000 m2 factory, showroom and website.

In addition to its own manufacturing, the company also serves as a distributor for leading companies in the sector. We are also developing modern concepts to create special offices and offer a wide range of products for all standard or special needs. Customer satisfaction is ensured with the continuation of technical support provided after sales and following delivery and installation.

Product Range and Services;

- VIP executive offices, manager and director offices**
- Work station - work systems**
- Modular and movable furniture systems**
- Office partition systems**
- Storage and archive units**
- Seating groups, armchairs and sofas**
- Steel goods groups**
- School - Hospital & Cafe & Restaurant Systems**

In addition to being the manufacturer of Özel Metal Office Concept, the company is also the main supplier of Tcc - The Chair Company/Grammer Office chairs and the Istanbul representative of Goldsit office seating groups.

Our company has been rightfully proud and honored to be introducing its products to the office furniture market since 1965 as a result of its dedication and quality.
